SUBJECT: **SPEX 2009-0006, Dulles Industrial Park South Lot 1**
LCTM: 102 ((1)) 1, PIN 097 40 7676

This Department reviewed the plat, submitted by William H. Gordon Associates, Inc. revised 3/31/09, and recommends **denial** for the following reasons:

- 1) The existing well on the property is not shown on the plat.
- 2) The pump and haul tanks are labeled on the plat as D/W (existing drain / well location). They should be labeled as pump and haul tanks.

If further information or clarification on the above project is required, please contact Crystal Crampton at 771-5135.
